

that sounds nice Jeffrey..

But I'm kinda in for the night

Why don't you come over here instead?

Sigh

That's easy for you to say. You have a car dude!

Do you know how much taking public transportation sucks!

But my apartment setup is better..

Scratch Scratch

What if I called you a cab?

I'll pay for it!

would you want to come over then?

And I actually have a bed.

Hmm maybe keep trying to convince me..

Did I mention...

I'm incredibly good at giving uh.. sensual massages.

Hurry up and get ready!

OH DAMN!

I'll see you soon! ❤️
